HARSH KATALKAR

Mastering Data Science and AI | Proficient in SQL, Python, Power BI, HTML, CSS and Data Analytics
Mumbai, Maharashtra, India

Summary

•I am a passionate and highly motivated graduate student pursuing a Master's degree in Data Science and Artificial Intelligence.

Fascinated by the world of data and committed to extracting meaningful insights from it, I honed my skills in a diverse range of technical areas. I am proficient in:

- o SQL
- o Python
- o Power BI
- o HTML
- o CSS

•Data is not just a collection of numbers and facts; it's a powerful resource that can transform businesses and drive them to new heights. In my journey through academia and professional development, I cultivated a keen eye for detail and a relentless pursuit of excellence in data analysis. My problem-solving mindset enables me to approach complex datasets with a structured methodology, turning them into actionable insights that guide informed decision-making.

•Furthermore, I have a strong affinity for Data Analytics. I am excited by the prospect of diving deep into data to uncover trends, patterns, and outliers that others might miss. Using tools like Power BI, I can visualize and communicate these findings effectively, making data-driven recommendations and decisions accessible to all stakeholders. Whether it's optimizing marketing campaigns, identifying cost-saving opportunities, or improving customer experiences, I'm committed to helping organizations leverage data to drive success.

•Additionally, I have a keen interest in Database Administration (DBA). I recognize the pivotal role that databases play in managing an organization's critical information assets. I'm eager to expand my knowledge in database management, ensuring data is secure, well-organized, and readily available for analysis. My attention to detail

and commitment to data integrity make me an ideal candidate for roles that require database management expertise.

Education

RAMNIRANJAN JHUNJHUNWALA COLLEGE

Master of Science - MS, Data Science and Artificial intelligence · (June 2023 - May 2025)

Vidyalankar School of Information Technology

Bachelor of Science - BS, Information Technology · (October 2020 - May 2023)

N. G. Acharya & D. K. Marathe College of Arts, Science & Commerce

HSC, Commerce · (July 2018 - April 2020)

Our Lady Of Perpetual High School

SSC · (June 2017 - March 2018)
